The Brief on Appeal received on 06/08/2005 has been entered. The finality of the Office Action mailed on 10/21/2004 has been withdrawn. Claims 1-4 and 7-14 have been cancelled by previous amendments.

The rejection of claims 5 and 6 under 35 U.S.C. 103(a) of the Office Action dated 10/21/2004 has been withdrawn by the examiner in response to the applicant's response that the prior art of record (Arora et al.) contains no suggestion or motivation for modification of the compounds of Formula I at the 4-position of the structure.

Claims 5 and 6 are currently pending in this application.

Claims 5 and 6 are allowed.

2. The following is an examiner's statement of reasons for allowance: Claims 5 and 6 are drawn to a process for preparing compounds of Formula I wherein the hydroxyl group at C-4 is substituted with a carbamate group, is not taught or fairly suggested by the prior art of the record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703)308-1235.
